## Cards from the Candidates.

### Cards of Thanks.

To the People of Noxubee County:

I am grateful for the nomination you gave me as your candidate for the office of chancery clerk of the county. I thank you, one and all, for the vote cast for me by the Democratic Executive committee, acting under the law as the agents and representatives of the entire Democracy of the county. I am your servant, and promise, God being my helper, to give you the very best service of which I shall be capable in the discharge of the duties of the high office to which you have elected me. Sincerely and gracefully,  
Aug. 6, 1915 JOHN A. TYSON.

### From Mr. Poindexter

To the People of Noxubee County:

Permit me to express to you the most profound sense of gratitude I have ever experienced.

To those who voted for me, accept an acknowledgement of obligation; to those who voted against me, accept the statement that I am conscious it was from no feeling of ill, but brought about by causes and sentiments creditable to you.

To my opponents, I feel that I'm carrying something from the contending field that is not wholly mine, and that if it were possible to divide it in three parts and give you an equal share it would please me intensely to do so.

To all citizens, remember I'm your servant and stand ready to answer all calls for the good of the state, and particularly the county.

Gratefully,  
J. Q. POINDEXTER.

### From Mr. Chandler

To the Voters of Noxubee County:

No man could be more grateful than I am for the generous support given me on last Tuesday in my race for County Superintendent of Education. To be given a vote of 441, 89 votes in the lead of my nearest opponent bespeaks a confidence of which I can only hope to be worthy. I attribute this hearty support not to my own worthiness but the increased interest of the people of Noxubee county in the educational question affecting us.

It is my purpose to continue my campaign on the same high plane as in the beginning. I thank my friends who voted for me for their strong endorsement in the first primary, and solicit their continued support and the support of the citizenship of Noxubee county generally.

Yours for a clean campaign,  
JAS. G. CHANDLER.

### Card from Mr. Minor.

What a defeated candidate may wish to say is of little general interest. But so deep and strong is my feeling towards my friends—both the men who voted for me and those good women of the county who did me the honor to give me their good wishes in the race for the Senate, that it demands this public expression. Their numbers were not sufficient to elect, but the personnel of my supporters was such as to constitute a great honor to their candidate, and so I gratefully regard it. Both of my opponents I cordially thank for uniform and continuous courtesy throughout the whole canvass and election. Very sincerely,  
HENRY MINOR.

### Card From Mr. R. C. Patty.

I thank most cordially and sincerely my friends and supporters for the splendid support they gave me in Tuesday's election. With such friends I feel hopeful that, in the second primary, their good judgment will be vindicated and my election gained. In any event I shall always feel grateful to them. Very sincerely,  
R. C. PATTY.

### Card from Mr. Brewer.

I desire to publicly express to my friends of the First Supervisor's district my most deep and sincere thanks for their loyal support in my race for Supervisor; with such friends behind me, I enter the second primary confident of success, and I will always strive to merit their support and the approval of all the people of my district and county. Sincerely,  
ROL. BREWER, JR.

### From Mr. Jarvis

To the Voters of District Four:

I wish to thank you one and all for the support given me in the August 3rd election.

I faithfully promise to give you the best service that's within my power as I have in the past. Respectfully,  
J. B. JARVIS.

### From Mr. Thomas

To the Voters of the Fourth District:

I take this method of expressing my sincere thanks for the vote given me for supervisor, and I appeal to the vot-

ers for their support in the second primary, and if elected will represent the district with all the ability I am capable of. Very truly,  
W. L. THOMAS.

### To the People of Noxubee County.

The recent primary has resulted in the re-election of my opponent and the defeat of myself.

To the many friends who supported me loyally in this race, I am profoundly thankful and gratified. To my friends who supported my opponent, I want them to know and to feel that I cherish nothing but the kindest and most cordial feelings to them.

I was born and raised in Noxubee county and here I expect to spend my entire life.

I shall never forget the hospitalities and courtesies shown me in this fight, and permit me to say to the whole people of Noxubee county that I am profoundly gratified to everybody.

The race I made, I think, was a good one. My friends were loyal and true; my opponents were gallant, chivalrous and manly.

I extend my congratulations to my opponent, Hon. D. F. Allgood.

WILLIAM B. LUCAS.

### To the Voters and Good People of Noxubee County.

We desire to take this method of thanking most sincerely, one and all of you, for your generous support in our candidacy for the Democratic nomination for the Lower House of the State Legislature. Also the good ladies and people for the bounteous dinners and other courtesies shown us. We, in return, can only promise you to do our best for Noxubee county, first, and then all of our people.

T. W. BRAME,  
PRINCE HUBBARD.  
C. E. DORROH.

### NOTICE.

To My Friends, the Voters of Noxubee County, I thank you for the support you have given me in my recent race for office. I bow gracefully to the will of the people and have no ill-will against those who opposed me. You have been good to me in the past for which I again thank you.

A combination of circumstances caused my defeat. Very Respectfully,  
C. M. SCALES.

### Letter of Appreciation.

HATTIESBURG, MISS., Aug. 3, 1915.

Dear Mr. Cavett: I certainly enjoyed your nice letter, and appreciated it very highly. You always are the right man in the right place, and your magnets are so strong and so true that you draw the best people to you always; and if you get wrong, it doesn't take you long to learn the fact and get right.

We continue to enjoy the letters of "Big Bud" in THE BEACON. I doubt if you fully appreciate how much pleasure you afford the public in your letters, especially those who have left the dear old county, and whose memories of the by-gone days remain fresh and bright.

Maud and myself were made very indignant by certain passages in your last letter, and wish we were on the scene that we might take a hand. I am sure, however, that your letter must have straightened out all the kinks in the twisted imagination of those unfortunately so far adrift in these facts.

Trusting to have the pleasure of seeing you in Jackson, as heretofore, and with sincerest best wishes for Mrs. Cavett and yourself, I remain, yours sincerely,  
W. F. FOOTE.

### Peanut Growers Association.

A strong movement is on foot to organize the farmers who are growing peanuts in Noxubee into an association. The purpose of the organization is to give to each the benefit of the experience of all, and, by co-operation, to facilitate the marketing of their crop and obtain fair prices. To the advantage of concerted action will be added the benefit of accurate information of the acreage and the probable production this year and the state of the market.

Every farmer in the county who is growing peanuts, in however small or large quantities, is invited to join the association and to be in Macon, Saturday morning, August 14th, or communicate by letter, stating his acreage in peanuts, to either W. R. Bush or K. T. McLeod, McLeod, Miss., or THE BEACON, at Macon, Miss.
